AFI 91-202, 1 October 1995, is supplemented as follows:

1.3.1. (Added) AFIs 91-202, 91-204, 91-207, 91-301 and a complete AFOSH and OSHA Standard Library are maintained by HQ USAFA/SE and are available for use by the safety representatives and work center supervisors. Unit Ground Safety Representatives will maintain the AFOSH standards that apply to their area of responsibility. Work center supervisors will have on hand the AFOSH standards applicable to their work center. If administrative support is available for the representatives within close proximity, they should maintain the AFOSH standards for the representatives.

1.8.12. The Safety staff at the Academy is the HQ USAFA Safety Office. Unit Safety Representatives will manage the unit safety program and keep unit commanders informed on program status, unit injuries, and hazards.

2.4.3.1. The 34th Training Wing Flight Safety (34 TRW/SEF) will maintain an Aircraft Mishap Investigation Kit suitable to handle both local and transient aircraft mishaps.

3.1. Use USAFA Forms 35, **Joint Survey Team Report**, and 35A, **Continuation Sheet**, to document the results of inspection.

3.1.1. Unit Safety Representatives will establish a spot inspection program and ensure the commander is informed of the results.

3.2. Use USAFA Forms 35, **Joint Survey Team Report**, and 35A, **Continuation Sheet**, to document the results of inspection.

3.3. Use USAFA Forms 35, **Joint Survey Team Report**, and 35A, **Continuation Sheet**, to document the results of inspection.

3.4. Use USAFA Forms 35, **Joint Survey Team Report**, and 35A, **Continuation Sheet**, to document the results of inspection.

4.5.1. Unit Safety Representatives and supervisors will ensure unit personnel are familiar with the hazard reporting system and have access to AF Form 457.

5.4.1. (Added) Use of safety bulletin boards will be at the discretion of unit commanders. The following items, however, must be posted in prominent locations.

- AFVA 91-307, Air Force Occupational Safety and Health Program.
- USAFAVA 91-1, Mishap Reporting.
- AF Form 457, USAF Hazard Report, and instructions.
- Academy Superintendent's Safety Policy Memorandum.

6.1.1. All formal safety training courses will be coordinated through HQ USAFA/SE.

6.2.1. Unit commanders should ensure appointed Unit Safety Representatives have reasonable retainability in the safety position.

7.1.3. (Added) HQ USAFA/SE provides MAJCOM oversight for the flight safety program. 34 TRW/SEF is responsible for the host/base flight safety program.

7.6.1. Aircraft mishap investigation board members will be trained annually.

7.8.1. 34 TRW/SEF will appoint an FSO as an advisor to the Aero Club.

10.2.2.1. (Bullet 4(Added)). Units storing or using explosives will appoint a Unit Explosive Safety Representative.

10.8. (Added) Form Prescribed. USAFA Forms 35 and 35A.
